PASTOR AND THE PULPIT

Unmarked Iniquities

"If You, Lord, should mark iniquities, O Lord, who could stand?" (Psalm 130:3, NKJV)

We are blessed beyond measure with a God who purposes to forgive us all our iniquities. He has moved heaven and earth to accomplish this and He continues to do so because there are still so many who have not said yes to Jesus.

Our main purpose as Christians is to help those who don't know Jesus or even don't want to know Jesus come into a right relationship with Him. This requires a constant diligence on our part to stay close to the Lord so we can be fit tools in His hand. Our desire must not be to see others punished for sin but to see them set free from its shackles. With that in mind, let us remember to keep the lost in our prayers and in our sights. It's the only way their iniquities will become unmarked.

February 2010 AD

Victory is going to Hume Lake this summer, and we need some help to get there! We want to make it easy for you to help, so the first fundraiser we are doing will not cost you a thing! We want your trash! Well your recycling to be more specific. Glass bottles, plastic bottles, cans, if it held a drink of any kind, we want it.

You can bring them to the church and drop them off with Tina at the Preschool during the week, or you can schedule a pickup with Kevin.* Please talk to your neighbors, family, friends, anyone. Don't throw it out or let the city have it for free, **Continued on Back**

**Conditions grim in
Haiti as relief
efforts struggle**

Pray, give and go!

- Pray for those who have been affected by Haiti's earthquake — people who are trapped in rubble or homeless, those who are hungry, injured, traumatized.
- Pray for victims' loved ones, both in Haiti and in other parts of the world, who are mourning or anxiously awaiting word about their loved ones.
- Pray for all those who are involved in the relief effort, that the Lord would give them strength to deal with the awful conditions they are facing. Pray for those who are trying to organize people and resources to assist with the relief efforts. Pray especially for the Southern Baptist disaster relief assessment teams who plan to arrive in the country the week of Jan. 18 to form plans for volunteer deployment, both to meet urgent needs and to help Haitians' rebuild their lives in the longterm. Pray that God would stir up His people to respond with the love of Christ to help people in desperate need.Â”
- Lift up in prayer IMB personnel in the Dominican Republic who will be training national believers in post-trauma counseling for Haiti earthquake victims.

TO GIVE

- Southern Baptists are mobilizing to assess disaster relief needs. Contribute toward the relief effort at the Haiti Response Fund.
