PASTOR AND THE PULPIT ✚

Freedom

We have the joy and privilege of living in the greatest nation on earth. The reason for our greatness is threefold. First, this country has sent more missionaries and evangelists into the world than any other nation and the Lord has honored that.

Third, our nation has also sent men and women into combat to protect our freedom and the freedom of others around the world. We believe that freedom is the God given right of every human being. We also understand that freedom's cost continues and is never paid in full.

Lastly, we have been a staunch supporter of Israel. While it is true that Israel has not accepted Jesus as their Messiah, they are still God's chosen people and at the very center of world events. They will remain so until God brings this world to an end.

Several of our families represent men and women who have served or currently serve in the military. You are to be proud of this and we are honored to have you as a part of our church family.

Meet Private Mario Gomez United States Marine as of 6-3-2011

Mario's graduation was awesome. The average age of his class was 20, with people from something like 7 different countries! Including one cadet that had already done a tour of Afghanistan in the army.

Mario is in good company.
